Tom E. Hardwicke

School of Psychology, University of Sydney

tom.hardwicke@sydney.edu.au · tomhardwicke.github.io

ACADEMIC APPOINTMENTS

Senior Lecturer. 2025 – present
School of Psychology, University of Sydney.

Research Fellow / Senior Research Fellow 2022 – 2025
School of Psychological Sciences, University of Melbourne.

Marie Skłodowska-Curie Research Fellow. 2020 – 2022
Department of Psychology, University of Amsterdam.

Postdoctoral Scholar. 2019 – 2020
Meta-Research Innovation Center Berlin, Charité.

Postdoctoral Fellow. 2017 – 2018
Meta-Research Innovation Center at Stanford, Stanford University.

EDUCATION

PhD Experimental Psychology. University College London. 2016

MRes Brain Imaging & Cognitive Neuroscience. University of Birmingham. 2012

BSc Psychology (First Class Honours). Cardiff University. 2011

BOOKS & CHAPTERS

Frank MC Braginsky M Cachia J Coles N **Hardwicke TE** Hawkins R Mathur M & Williams R (2025). *Experimentology: An open science approach to experimental psychology methods*. MIT Press.
[open access]

Hardwicke TE & Vazire S (2024). Open science. In Frank MC & Majid A (Eds). *The Open Encyclopedia of Cognitive Science*. MIT Press.
[open access]

EDITORIALS

Hardwicke TE & Vazire S (2024). Transparency is now the default at Psychological Science. *Psychological Science.*
[paper]

PEER-REVIEWED JOURNAL ARTICLES

34. Reiss MV, ...**Hardwicke TE**... Roggenkamp H (2026). Improving computational reproducibility in the social sciences. *Nature Human Behaviour*.
[paper]

PRESENTATIONS

Hardwicke TE (2025). Reducing statistical errors at *Psychological Science*. *Association for Interdisciplinary Research and Meta-Research (AIMOS) and Australian Reproducibility Network (AusRN) webinar*. [invited]

Hardwicke TE (2025). Making transparency the default at *Psychological Science*. *Australasian Cognitive Neuroscience Society Early Career webinar*. [invited]

Hardwicke TE (2025). Prevalence of transparent research practices in psychology. *Metascience 2025, UK*.

Hardwicke TE Clarke B & Vazire S (2025). How to write transparent, reproducible, and rigorous research papers. *Berlin University Alliance, Germany*. [invited]

Hardwicke TE (2024). Putting reproducibility into practice. *Melbourne Centre for Data Science, University of Melbourne, Australia*. [invited]

Hardwicke TE (2024). Improving transparency, rigour, and reproducibility: What can journals do? *Quantitative and Applied Ecology Lab, University of Melbourne, Australia*. [invited]

Hardwicke TE (2024). Improving psychological science with meta-research. *School of Psychology, University of Sydney, Australia*. [invited]

Hardwicke TE (2024). Evaluating journal policy in the wild: Cautious causality with the interrupted time-series analysis. *Association for Psychological Science, USA*. [invited]

Hardwicke TE (2024). Improving science with meta-research. *Yonsei University College of Medicine, South Korea*. [invited]

Hardwicke TE (2023). Making transparency the default. *Association for Interdisciplinary Meta Research and Open Science Conference, Australia*. [invited]

Hardwicke TE (2023). Improving science with meta-research. *University of Canterbury, New Zealand*. [invited]

Hardwicke TE (2023). Improving science with meta-research. *Therapeutics Initiative, University of British Columbia, Canada*. [invited]

Hardwicke TE (2023). Improving science with meta-research. *School of Psychology, University of New South Wales, Australia*. [invited]

Hardwicke TE (2023). How should journals handle scientific criticism? *Metascience 2023, USA*. [invited]

Hardwicke TE (2023). Bad statistics: What can journals do? *Statistical Society of Australia, Queensland Branch, Australia*. [invited]

Hardwicke TE Salholz-Hillel M Malički M Szűcs D Bendixen T Ioannidis JPA (2022). Statistical guidance to authors at top-ranked journals across 22 scientific disciplines. *International Congress on Peer Review and Scientific Publication, USA*.

Hardwicke TE Thibault RT Kosie JE Tzavella L Bendixen T Handcock SA Köneke VE Ioannidis JPA (2022). Assessment of postpublication critique policies and practice at top-ranked journals in 22 scientific disciplines. *International Congress on Peer Review and Scientific Publication, USA*.

Hardwicke TE (2022). Defence against the Dark Arts: The potential, progress, and possible pitfalls of preregistration. *Joint Statistical Meetings, USA*. [invited]

Hardwicke TE (2022). Independent post-publication editors: A proposal to facilitate transparency, accountability, and critical discourse at academic journals. *Society for the Improvement of Psychological Science Conference, Canada*.

Hardwicke TE (2022). Making transparency the default in scientific research: How are we doing and where are we going? *CIDER Workshop, Leibniz Institute for Research and Information in Education, Germany*. [invited keynote]

Hardwicke TE (2022). How should journals handle scientific criticism? *METRICS International Forum, Stanford University, USA*. [invited]

Hardwicke TE (2022). Citation patterns following a strongly contradictory replication result: Four case studies from psychology. *Berkeley Initiative for Transparency in the Social Sciences Annual Meeting. University of California, Berkeley, USA*.

Hardwicke TE (2021). Computational reproducibility in psychology: Essential, neglected, & achievable. *Association for Interdisciplinary Meta Research and Open Science Conference, Australia*. [invited]

Hardwicke TE (2021). Share if you can, declare if you can't: Making transparency the default in psychological science. *University of Lancaster, UK*. [invited]

Hardwicke TE (2021). Preregistration: A pragmatic tool to reduce bias and calibrate confidence in scientific research. *Ludwig Maximilian University of Munich, Germany*. [invited]

Hardwicke TE (2020). Calibrating the scientific ecosystem through meta-research. *University of Osnabrück, Germany*. [invited]

Hardwicke TE (2020). Calibrating the scientific ecosystem through meta-research. *University of Bristol, UK*. [invited]

Hardwicke TE (2020). What is this thing called open science? *Goethe University Frankfurt, Germany*. [invited]

Hardwicke TE (2020). What is this thing called open science? *Friedrich-Schiller University of Jena, Germany*. [invited]

Hardwicke TE (2019). Just another brick in the wall? On the diagnosticity of replications and their contribution to scientific progress. *University of Hamburg, Germany*. [invited]

Hardwicke TE Wallach JD Crüwell S & Ioannidis JPA (2019). Transdisciplinary estimates for the prevalence of transparency and reproducibility related research practices. *Association for Interdisciplinary Meta Research and Open Science Conference, Australia*. [poster]

Hardwicke TE (2019). Calibrating the scientific ecosystem through meta-research. *University of Trier, Germany*. [invited keynote]

Hardwicke TE (2018). Rehabilitating the scientific ecosystem. *The Bank of England, UK*. [invited]

Hardwicke TE (2018). What is this thing we call 'open science'? *Stanford University, USA*. [invited]

Hardwicke TE (2018). Fostering the preservation, liberation, and re-use of data in psychological science. *University of California, Davis, USA*. [invited]

Hardwicke TE Mathur MB Nilsonne G McCarthy R Hofelich Mohr A & Lindsay DS (2018). Analysis Exchange: Developing an online platform to request verification of analytic reproducibility and statistical expertise. *Society for the Improvement of Psychological Science Conference*.

Hardwicke TE (2018). SMART pre-registrations: Developing a citation system to facilitate comparison of protocols and papers. *Society for the Improvement of Psychological Science Conference*.

Hardwicke TE (2017). Principles of reproducible research. *Stanford University, USA*. [invited]

Hardwicke TE (2017). Open data are not enough: An evaluation of data availability and computational reproducibility at the journal Cognition. Department of Psychology, *Stanford University, USA*.

Hardwicke TE (2017). Open data are not enough: An evaluation of data availability and computational reproducibility at the journal Cognition. *Society for the Improvement of Psychological Science Conference*.

Hardwicke TE Mahdi T & Shanks DR (2016). Post-retrieval new learning does not reliably induce human memory updating via reconsolidation. *6th International Conference on Memory, Hungary*.

Hardwicke TE & Shanks DR (2015). Does reconsolidation enable human memory updating? *Experimental Psychology Society London Meeting, UK*.

Hardwicke TE Ludwig CJH Farrell S Ellis LA & Gilchrist ID (2010). Learning the environmental statistics facilitates effective gaze allocation. *BPS Welsh Branch Annual Student Conference, UK*.

AWARDS

Einstein Early Career Award (top four finalist). Einstein Foundation. 2022

Best Poster Prize. Economic and Social Research Council Annual Meeting, UK. 2013

The George Westby Prize (highest degree grade). Cardiff University, UK. 2011

The Stuart Diamond Memorial Prize (best final year project). Cardiff University, UK. 2011

The British Psychological Society Undergraduate Award. Cardiff University, UK. 2011

GRANTS AND FUNDING

KU Leuven — University of Melbourne Joint PhD Scheme. Funding for two PhD student scholarships. 2024 – 2028

Melbourne School of Psychological Sciences Academic Fellowship. University of Melbourne, Australia. AUD$365,000. 2024

Melbourne Data Analytics Platform Faculty Supported Collaboration. University of Melbourne, Australia. AUD$134,086. 2024

Marie Skłodowska-Curie Individual Fellowship. European Commission, Europe. AUD$306,000 2020

Grindley Grant (travel), International Conference on Memory. Experimental Psychology Society, UK. 2016

Travel Grant, International Conference on Memory. University College London, UK. 2016

ESRC Collaborative Placement Funding. Economic and Social Research Council, UK. 2015

Travel Grant, Human Factors in Science Symposium. University College London, UK. 2014

ESRC PhD Studentship. Economic and Social Research Council, UK. 2012

TEACHING

Unit coordinator *Interdisciplinary Research Project*. School of Psychology, University of Sydney. 2025

Lecturer ("When can we trust psychology research?") *Honours Advanced Seminar Series*. School of Psychology, University of Sydney. 2025

STUDENT SUPERVISION & MENTORSHIP

PhD students: Sophia Crüwell* (2023); Maia Salholz-Hillel* (2026); Beth Clarke* (2026). Laura Conlon* (current). Lora Čuljak* (current).

*co-supervisor.

Undergraduate/masters students: Mahdi Taqi (2014); Gudmundur Haraldsson (2015); Bethany Manning (2016); Emily Huxtable (2017); Athena Braun (2018); Judith Herbers (2020); Annie Whamond (2023); Bianca Kotoulas (2025).

PhD Examination Committees: Natalie Schroyens (2021, KU Leuven); Michael Gordon (2022, Massey University); Alexandra Sarafoglou (2023, University of Amsterdam).

PROFESSIONAL SERVICE

Senior Editor for Statistics, Transparency, and Rigour. Psychological Science.	2024 – present
Associate Editor. Royal Society Open Science.	2023 – present
Open Science Catalyst. Berkeley Initiative for Transparency in the Social Sciences (BITSS).	2017 – present
Secretary and Board Member. Association for Interdisciplinary Meta-Research and Open Science (AIMOS).	2022 – 2025
Committee Member. UK Reproducibility Network (UKRN) International Advisory Committee.	2023 – 2025
Co-organiser. ReproducibiliTea journal club. University of Melbourne.	2022 – 2024
Lead scientific organiser. Royal Society Meeting on the *Promises and Pitfalls of Preregistration*. The Royal Society, UK.	2024
Open Science Ambassador. Center for Open Science.	2015 – 2023
Conference Program Committee Member. Society for the Improvement of Psychological Science 2020 Annual Conference.	2020
Executive Committee Member. Society for the Improvement of Psychological Science.	2018 – 2019
Conference Program Committee Chair. Society for the Improvement of Psychological Science 2019 Annual Conference, The Netherlands.	2019
Scholar in Residence. Center for Open Science.	2015
Co-founder. Postgraduate discussion group CRITUCL. University College London.	2012 – 2015
Opticon1826 Faculty Editor (Brain Sciences). University College London.	2012 – 2015
ESRC Student Representative. University College London.	2012 – 2014

Peer-review (journals/conferences). Advances in Methods and Practices in Psychological Science. Royal Society Open Science. Nature Human Behaviour. Perspectives on Psychological Science. Psychological Bulletin. American Psychologist. Collabra: Psychology. PLOS ONE. International Congress on Peer Review and Scientific Publication. Behavior Research Methods. PNAS. PLOS Computational Biology. Research Integrity and Peer Review. Research Synthesis Methods. Journal of Experimental Psychology: Learning Memory & Cognition. Neuroinformatics. Research

Synthesis. BMC Research Notes. Prevention Science. Social Psychological Bulletin. Behavioural Brain Research. Nature Communications. PeerJ. Sports Medicine. Psychological Methods. Clinical Psychological Science. Cognition. Psychological Science. Science.

Peer-review (funders). National Science Foundation (USA). National Science Center (Poland). FWF Austrian Science Fund (Austria). UK Research and Innovation (UK).
